Press Release

FJM expands its lock offering for the successful KeyGuard Key Cabinets!

Seattle, WA, March 13, 2013: FJM Security Products announces the addition of the black Combi-Cam Ultra lock to its family of KeyGuard® Key Cabinets.

FJM Security's durable KeyGuard® Combination Key Cabinets are constructed entirely of heavy gauge steel, including the high capacity key hooks and continuous "piano" hinge. Mounting supplies and multi-colored key tags are included in the box making it easy to install and easy to organize.

Available in 48 and 122 key models, the cabinets are secured by the Combi-Cam Ultra, a four-dial combination cam lock with 1,000 possible codes. The solid metal, four-dial Combi-Cam Ultra provides the convenience of keyless access and offers a managerial key for dual access flexibility. Open the key cabinet any time a code is lost or forgotten to discover the code and reset the combination. Available with the chrome or black Combi-Cam Ultra lock!

Features:

- Durable, reliable & convenient
- Dual Access – combination lock with manager key override
- Made of heavy gauge steel with continuous "piano" hinge
- Steel key hooks
- 10,000 combinations
- Mounting hardware included
- Colored key tags included
- Great Price!
