Press Release

FJM expands its successful line of key cabinets by offering a portable **gUZY!**

Seattle, WA, June 23, 2016: FJM Security Products announces the addition of the portable Mobi Safe to its family of KeyGuard® Key Cabinets.

FJM Security's durable portable Mobi Safe is constructed of heavy gauge steel and filled with custom foam padding to ensure your valuables are protected. It easily fits under a car seat or in a secure spot at home so you can feel confident that your valuables are safe on the go or at home. Great as a portable gun safe!

The portable Mobi Safe is available with three different lock options: Combi-Cam, Combi-Cam-E, or Keyed providing different options of security so you can choose what works best for you. It comes with a removable metal cord that allows you to secure to a car seat or anything that is secured in place making it versatile for mobile and in home security. The large compartment can fit anything from a pistol, small electronics, to a wallet.

Portable Travel Safe Features:

- Removable aircraft cable made of woven steel with a black vinyl coating extending 30"
- Large interior lined with removable foam to keep items from sliding around and getting scratched
- 16 gauge steel walls
- Perfect fit under any car seat as a portable travel safe
- 3 different lock options to fit security preference
