FJM Adds Rubber Covers to KeyGuard Models

Seattle, WA, July 30th 2017: FJM Security Products adds two additional products with rubber covers. The SL-590-CVR wall mount and the SL-591-CVR Window Mount

The large punch buttons on the front are easy to view and takes only a few seconds to access the key storage vault. Changing the combination is simple. Access the back of faceplate, select your combination and turn the yellow buttons to your desired combination.

- Easy to set and reset combinations
- Use numbers or easy-to-remember words
- Protective rubber cover from the elements
- Large capacity key vault to store most types of keys and fobs
- Thousands of different possible combinations
